RURAL DEVELOPMENT AND CO-OPERATION DEPARTMENT

Extension of concession to failed dug wells/open wells financed by the L D. Banks/Nationalised/Commercial/Regional Rural Banks/PACs/FSCs/SCFSCs–issue of revised procedure.

READ :—

1. G.O. No. DPC 209 CLS 64 dated 14th October 1965.
2. G.O. No. DPC 157 CLS 69 dated 16th July 1970.
3. G.O. No. RDC 318 CLS 78 dated 15th November 1979.
4. G.O. No. RDC 263 CLS 82 dated 17th December 1982.

PREAMBLE :—

Many representations are received from the Agriculturists who have borrowed loans for Sinking irrigation wells for liberalisation of procedures for obtaining concession for failed wells. The Managing Director, Karnataka State Co-operative Land Development Bank in his reference D.O. Letter No. Accts/AM/2998/82-83. dated 28th January 1983 has suggested for vesting the powers of reimbursement to the Deputy Commissioner in respect of present arrangements of the Registrar of CS sanctioning the failed well concession.

Registrar of CS, under letter No. LDB/CR/755/76-77 dated 30th August 1982 and 17th January 1982 has suggested modifications into the existing procedure including to vest the powers of reimbursement to the Deputy Commissioner.

After considering the above facts the following is the order.

ORDER NO. RDC 106 CLS 83, BANGALORE,
DATED THE 11TH MARCH 1983.

In supersession of the failed well concession provisions in the G. O. cited at (1) to (4) above, the following will be the new procedure prescribed for sanction of failed well concession.

Definition of a failed well concession :

(i) Failed dug well is one which is taken to sufficient depth as per the specifications at the time of obtaining loan, so as to intersect the Hydro-geologicaly saturated zone and is not capable of supplying a minimum of 5000 gallons of water per day during the rabi season.

(ii) Failed dug well is also one where though the water found is sufficient in quantity yet due to Alkalinity and Salinity. it cannot be used for irrigating any crop. and is certified to this effect by the Department of Mines and Geology or by any other authority notified by Government.

Procedure for obtaining failed well concessions :

(i) If a borrower finds that the well has failed he shall make an application to the Assistant Commissioner of the Sub-Division through the concerned financing institutions.

(ii) The Assistant Commissioner 'shall in the normal course refer' the application to the Block Development Officer and Tahsildar who shall jointly inspect the failed well and send a certificate to the Asst. Commissioner indicating whether the well has failed. Their recommendation will normally be the basis for sanctioning or rejecting the application. If, however the B.D.O. and Tahsildar disagree, or if they have any doubt as to whether the well should be regarded as a failed well, or not, the Asst. Commissioner shall refer the matter to the authorised official of the Department of Mines and Geology to conduct a pump test during the rabi season and to issue a certificate, as to whether the well is a failed well.

(iii) In case of water which is found not fit for irrigation due to Alkalinity and Salinity, the Assistant Commissioner shall refer the matter to the Department of Mines and Geology or to any other Authority notified by Government for getting the certificate needed for the purpose.

(iv) On the basis of the failed well certificates given by the Block Development Officer and Tahasildar, or the authorised Geologist or any authority notified by Governmeut, the Assistant Commissioner shall pass orders on the application for failed well concession.

Eligibility for failed well concession :—

(i) The failed well concessions are applicable only to borrowers who have borrowed loans from the Karnataka State Co-operative Land Development Bank/Commercial Banks/Grameena Banks/PACs FSCs/SCFSCs.

(ii) The concession shall only be given to those, wells where the sites were duly selected and suggested by the Geologist of the Department of Mines and Geology or those employed by the Karnataka State Co-operative Land Development Bank.

(iii) (a) Applications which are pending before the issue of this order which are still under consideration ;

(b) Applications which have been returned to the applicants;

(c) Applications which have been rejected by the Competent authority as on the date of this order may be reconsidered without any time stipulation, provided there is sufficient and satisfactory evidence to show that an application had been made before the date of this order.

(iv) The spot inspection by the Block Development Officer and Tahsildar shall assess the yield of the well. If they consider that

an yield test is necessary, it shall be referred to a designated Officer of the Department of Mines and Geology or to an authority notified by Government and a report obtained, before orders are passed.

Extent of the failed well concession :—

The extent of concession shall be as follows :—

(a) A subsidy to the extent as indicated below of the principal amount of the loan borrowed in the case of different categories of loanees shall be admissible.

(i) Small and Marginal Farmers Full subsidy.

(2) Farmers other than Small Farmers 75%

(b) Total quantum of interest due shall be remitted.

For the purposes of this concession, the criteria prescribed by National Bank for Agriculture and Rural Development/Financing agency for determining the small farmer is the basis. Copy enclosed (Annexure)

(iii) Government shall allot necessary funds to the Registrar of Coop. Societies. The Registrar of Co-operative Societies will allot the funds as per the requirements of the Assistant Commissioners. The Assistant Commissioners are the reimbursing authorities in respect of the sanctions accorded by them. The financing banks will prefer the bills on the basis of the sanctions given by the Assistant Commissioners. The countersigned bills will be presented by the financing banks to the Treasury and adjust the money to the loanee's accounts.

(iv) All pending applications with the different authorities shall stand transferred to the Assistant Commissioner for sanctioning failed well concessions.

(v) This order shall be prospecting and also cover applications pending at present before the concerned authorities.

GOVERNMENT OF KARNATAKA

RURAL DEVELOPMENT AND CO-OPERATION DEPARTMENT

Extension of concessions to failed dug wells/open wells financed by the Land Development Banks/Nationalised Banks/Commercial Banks/ Karnataka Agro-Industries Corporation-Issue of modified orders-regarding

READ.—

1. G.O. No. DDC 209 CLS 64, dated 14th October 1965.
2. G.O. No. DPC 157 CLS 69, dated 16th July 1970.

PREAMBLE.—

In the order cited above, the Government have laid down the procedure regarding sanction of concession to failed wells.

2. Many agriculturists have made representations for liberalisation of concessions to failed wells. The Karnataka State Co-operative Land Development Bank, some of the Deputy Commissioner and the Registrar of Co-operative Societies in Karnataka also have stressed the need for redefining the failed well and simplify the Procedure.

3. The technical opinion in this regard also has been obtained from the Director, mines and Geology and the Director of Agriculture

4. After considering all the aspects of the matter Government have decided to redefine a failed well and prescribe procedure for grant of concessions for the failed well and with a view to nationalise the scope of concessions, especially to Small/Marginal Farmers.

ORDER No. RDC 318 CLS 78, BANGALORE, DATED 15TH NOVEMBER 1979

In supersession of the provisions pertaining to tailed wells in the pervious orders, the following shall be the definition of failed well and the procedure to be adopted for grant of concessions.—

(*1*) *Definition of a failed well* :

Failed dug well is one which is taken to sufficient depth so as to interest the hydrogeolegically saturated zone and is not capable of supplying a minimum of 5,000 gallones of water per day by pump test to support irrigation for one to one and a half acres of light duty crops during Rabi Season, during the years of normal rainfail.

(*2*) *Concessions to failed wells.*

The following concessions shall be admissible for the irrigation wells which have failed and for which loans are sanctioned by the Co-operative Land Development Banks/Nationalised Banks/Commercial Banks/Karnataka Agro-Industries Corporation.

(i) The total quantum of interest due shall be remitted.

(ii) A subsidy to the extent as indicated below of the loans sanctioned in the case of different categories of loanees, shall be admissible.

(1)	Small or Marginal Farmer ...	... Full subsidy
(2)	Farmers other than small farmers, but the size of whose land holdings is not more than double the size prescribed for small farmers in the particular District.	... 75%
(3)	Farmers holding lands beyond twice the size of the holdings of small farmers	... 60%

(*3*) *Procedure for sanction of concessions.*

(i) If the borrower finds that the well is failed in accordance with the definition of a "failed well" as defined above, he may make an application to the Deputy Commissioner of the District within six months from the date of the drawal of the latest instalment through the concerned financing institution. The agency concerned shall forward the application to the Deputy Commissioner within a week after its receipt with the relevant information.

(ii) The Deputy Commissioner shall refer the matter to the Department of Mines and Geology for a certificate regarding the failure of well,

(iii) As the rabi crop mainly depends on irrigation, the pumpset test of the well should be taken up during the rabi season to decide on the sucess or failure of the well by the Department of Mines and Geology and referred to the Deputy Commissioner as early as possible. If the water is alleged to be saline, the suitability or otherwise of the water for irrigation, with reference to the soil to be irrigated and the crops to be raised should be reffered to the Directorate of Agriculture who shall get it tested in the Central Laboratory at Bangalore and issue a certificate in this regard.

(iv) The Deputy Commissioner on receipt of the application with revevant certificate shall allot the papers relating to the failed wells to an officer not less than the rank of an Assistant Commissioner viz, District Development Assistant, Project Director, Food Assistant or Assistant Commissioner of the Sub-Division and who shall sanction concession after due enquiry.

(v) The concession shall only be given to those wells whose sites were duly selected and suggested by the Geologist of Mines and Geology Department or those employed by the Karnataka State Co-operative Land Development Bank.

(vi) If the views of the technical staff of ths Director of Mines and Geology and officer designated by Deputy Commissioner, differ the application with all the records shall be sent to the Deputy Commissioner for consideration and final sanction.

(vii) A copy of the order of conoessions shall be marked to the Registrar of Co operative Societies, Bangalore, and the amount of concession will be reimbursed to the concerned Banks or financing agencies by the Registrar of Co-operative Societies.

4. This order shall be prospective and also cover the applications pending at present before the concerned authorities.

5. The quantum of concession shall be debitable to the Head of Account "298-Co-operation -VB General-II-Loans for Land Development Bank in respect of wells which have failed 1 subsidy (non-plan)"for the loans taken from Co-operative Land Development Banks and '306-Minor Irrigation' for the loans borrowed from other institutions.

6. This order issues with the concurrence of the Finance Department *vide* their U.O. No. FD 2363 Exp II-79 dated 26th September 1979 and FC No. 4690 dated 20th October 1979.

By Order and in the name of the Governor of Karnataka,
G. A. KAMAPALA RAO,
Under Secretary to Government,
Rural Development and Co-opn. Department.
